City of Milwaukee Offers Recycling and “E-Cycling” Tips For the Holidays

The holidays usually mean lots of leftovers, cans, bottles, gift boxes, wrapping paper and of course, the tree! The City of Milwaukee Department of Public Works encourages all City residents to recycle the usual bottles, cans and cardboard boxes, but what about those unique holiday items?

What holiday items can be recycled?

- Wrapping paper can be recycled as long as it is free of ribbons, foil, and other non-paper items
- Cardboard gift boxes and packaging can be flattened and recycled, or save them to re-use for other gift-giving opportunities or for storage
- Gift bags, tissue paper, ribbons and bows are NOT recyclable. Re-use them next year and save money and room in the landfill

How about old electronics?

- The City of Milwaukee does not accept old TVs, computers, tablets, scanners, printers, cell phones and other electronics in either the garbage cart or the recycling cart.
- “E-cycle” your old electronics by taking them to a City Self Help Center at no charge
- The “e-cycling” process recovers valuable materials from old electronics and keeps hazardous pollutants out of the environment
- Go to <http://city.milwaukee.gov/electronics> to learn more

Which containers are recyclable?

- Containers marked with “#1, #2, #4, and #5” are all recyclable
- All food and beverage containers should be emptied and rinsed before placing them in the recycling cart

What about metal pots and pans, plus aluminum foil and baking pans?

- Worn out metal pots and pans can be recycled
- Aluminum foil and baking pans can be recycled as long as they are clean

-more-

Contract Administration, Room 506 (414) 286-3314 Fax (414) 286-8110 ♦ www.city.milwaukee.gov/mpw

How about disposing of a real Christmas tree and old lights?

- After the holidays, take your real tree to one of the City's Self Help Centers to be composted or mulched
- Or, place the tree at your regular garbage collection site (alley or curb) for pick-up by DPW crews
- To dispose of old Christmas lights, go to www.holidayLEDs.com for more information

Please remember to shovel a path to and around recycling carts (garbage carts too) to help ensure that there are no disruptions in pick-up service.

Go to www.MilwaukeeRecycles.com for more information on acceptable materials for recycling in the City of Milwaukee.

For information on the City's Self Help Centers (hours, locations, what is acceptable, etc.), go to www.city.milwaukee.gov/mpw. The centers will be closed on December 24th and 25th, and open on December 28th.

City residents can use www.mpw.milwaukee.gov/services/garbage_day to determine their next scheduled garbage and recycling dates. There will be no garbage or recycling pick-up on December 24th & 25th, and again on December 31st and January 1st.

Residents can also call 286-CITY (2489) for more information.
